## NEUTROGENA®

Neutrogena® (a Johnson & Johnson company) was founded in Los Angeles in 1930. In the early years the brand would supply beauty salons associated with the glamour of the film industry. Today, Neutrogena® is distributed in over 70 countries worldwide.

Recommended by dermatologists across the globe, Neutrogena® has sealed its place as a universally esteemed brand.

## NEUTROGENA® CLEAN GUEST COLLECTION

The Neutrogena® Clean Guest Collection brings the brand's most iconic products together to create a superb range of guest amenities, thus enabling hotels to offer their guests the reassurance they need from their hotel toiletries.

Following the principles of the Neutrogena® brand, the Clean Guest Collection has been gently formulated for all skin and hair types.
